- You must make a reservation by telephone in advance (046-262-8155). We recommend that you make your reservation early because the health exams may be booked up ahead of time.
- If you experienced fever or were in poor physical condition during the period from a week prior to taking the health exam to the day of your exam, you will not be able to take the exam.
- You must take your student ID card with you on the day of the health exam.
- The timing and place to pick up your health exam results (Individual Results Form) are as follows:
 - Timing: Four to five weeks after the health exam
 - Place: Administration department of your college or graduate school

Health Examination Certificates

Health Examination Certificates will be issued by the automatic certificate issuing system according to the following schedule.

Health exam at the Kanagawa Sogo Kenshin Center	Schedule for start of issuing certificates
2024 M a y - J u l y	the end of August,2024
2024 August - October	the end of November,2024
2024 November - February	the end of March,2025
2025 March	Cannot be issued by the automatic certificate issuing system. Note: If you need a certificate, please undergo the health exam by February where possible.

If you need a Health Examination Certificate prior to the scheduled starting date for the issuing of the certificates, a certificate can be issued by the Kanagawa Sogo Kenshin Center (location of health exam) for a fee. Please inquire directly with the Kanagawa Labor Health and Welfare Association (046-262-8155) when making a reservation.

In addition, depending on who you will submit the document to, it may be possible to submit a copy of the Individual Results Form instead of a Health Examination Certificate. Please make inquiries and check the details yourself.

Other

- If you take a health exam at another medical institution, please submit the results to the University (administration department of your college or graduate school). In this case, we cannot issue your Health Examination Certificates.
